COAL MINING COMPANY,

LOCATION OF MINE:

Coos Bay, Oregon.

CHAPPELLET & MINER,

AGENTS.

This Company is prepared to issue, through its Agents, a LIMITED NUMBER OF SHARES OF STOCK to the citizens of Oakland. The face value of the stock is set at FIFTY DOLLARS, payable as follows: $10 on subscribing, and the balance in equal monthly payments of $5 each.

Those who pay the full amount of $50 in one payment will have their coal delivered at once. Those who pay $20 down will receive their coal in 30 days. Each share of stock represents ONE TON OF COAL, and entitles the holder to that quantity monthly. After the fourth payment has been made shareholders will be entitled to purchase from one to four tons per month, at the rate of $5 per ton. The cost of the delivery will be added to the above.

The well-known quality of Coos Bay coal, with which the citizens of Oakland are already familiar, renders it unnecessary for the Company to say anything in its favor.
